Seaweed, alfalfa and yucca are also added for the health benefits they bring.</p>
	<p>Adult Lamb & Rice Kibble 15kg 7.5kg & 2kg Wholesome, natural hypo-allergenic dog food. Helps loose bowels and calms itchy, irritated skin and coat.</p> <p>The benefits for your dog Regular feeding with lamb and rice has always been the traditional way to calm a dog's digestion and help avoid allergic skin irritation. James Wellbeloved Lamb & Rice Kibble is a pure, natural, complete dry food of succulent lamb and brown rice. Barley is also added as a source of fibre and seaweed, alfalfa and yucca all bring health benefits.</p>
	<p>Adult Turkey & Rice Kibble 15kgs 7.5kg & 2kg Wholesome, natural hypo-allergenic dog food. Helps loose bowels and calms itchy, irritated skin and coat.</p> <p>The benefits for your dog As a white meat turkey is full of goodness and is very gentle on the digestive tract. Turkey is a better white meat choice than chicken for a hypo-allergenic food because some dogs are known to have already developed a chicken hypersensitivity. A sensitivity to turkey is less likely because turkey is not used as much in pet food, so dogs will not have been over-exposed to it.</p>
