

## NAF CALMING

|   |   |
|---|---|
|    | <p><b>Five Star Magic 750G 2X750G 3KG</b></p> <p>Magic is a magnesium calmer with a difference. It's a five star formula that is magnesium based, but there's more. Magic also contains a unique combination of calming herbs and nutrients known to help relax muscle tissue and support concentration. There are no tricks behind Magic. Just sound scientific nutritional and veterinary knowledge, combined with the highest grade ingredients, which all go into making Magic the market's leading calming supplement.</p> |
|   | <p><b>Five Star Instant Magic 30ML</b></p> <p>If your horse becomes tense and anxious when exposed to a specific situation, such as a competition, you need Instant Magic, which offers the effective calming influence of Magic in a fast acting, easy to administer, single shot syringe.</p>   |
|  | <p><b>Five Star Liquid Magic 1LTR</b></p> <p>The fast acting solution to a cool calm concentrated horse. Liquid Magic is formulated from the same unique magnesium and herbal combination as Magic powder, only Liquid Magic contains these key ingredients in a tinctured form. This means it has the advantage of reaching the horses system in quick time, therefore the calming effects can be seen fast</p>  |
|  | <p><b>Five Star Oestress 500G 1KG 2.5KG</b></p> <p>For the nutritional support of the hormonal system in mares. Recommended for mares who experience difficulties with their seasons, rendering them 'moody'.</p>   |
|  | <p><b>Five Star Oestress Liquid 1LTR 2LTR</b></p> <p>Helps the mare to balance her oestrus cycle naturally by targeting the root causes of her discomfort which lead to her moods.</p>  |
