

Whatever your involvement in horses, whether you're a professional or amateur rider, breed horses or just enjoy their company Rowan Barbary are committed to ensuring the health and well being of your horse or pony.

From young to old they have a feed designed to meet your requirements.

	<p><b>READY MASH GREEN</b></p> <p><b>Key Features</b>          Suitable for all horses and ponies. High fibre, low starch and sugar. Can be used as a hay replacer. <b>Product Information</b>          Made up of 100% high digestible fibre Soft n Soak ReadyFibre Mash is a versatile, highly palatable product. With a very low level of starch and sugars and no cereals it is suitable for horses that suffer from laminitis, for good doers and those that need a low energy diet. Being barley free and containing just 4 ingredients it can also be a useful feed for horses that suffer from intolerances.          As Soft n Soak ReadyFibre Mash is very high in fibre it helps to encourage slow rates of digestion throughout the hind gut and is particularly valuable for horses requiring a diet that is sympathetic on the digestive system, also helping to avoid the possible onset of colic and gastric ulcers in competition horses on a high cereal ration.          It is also ideal to use as a hay replacer, for horses that are stabled for long periods of time or those that have difficulty eating long stem fibres.</p>
	<p><b>READY MASH BLUE</b></p> <p><b>Soft n Soak ReadyMash</b>          A highly palatable, natural fully balanced mash suitable for those needing a high fibre, low energy diet providing an excellent source of slow release energy from the structured fibre. As Soft n Soak ReadyMash is very high</p>
	<p><b>READY MASH EXTRA</b></p> <p>A highly palatable mash designed for horses that need a higher calorie diet for conditioning and controlled weight gain, whilst providing an excellent source of slow release energy from the structured fibre.</p>
