

	<p>TOPSPEC FEED</p> <p>TopSpec Comprehensive Feed Balancer is a very flexible, nutrient-rich feed designed to balance the rations of most horses and ponies simply by adjusting the rate at which it is fed and the products it is fed with.</p> <p>It contains several supplements combined with a feed designed to promote muscle development and function. A broad-spectrum supplement is backed up by others including a superb hoof supplement, generous levels of anti-oxidants and sophisticated digestive aids.</p>
	<p>TOPSEC COOL CONDITION CUBES</p> <p>TopSpec CoolCondition Cubes are cereal-grain-free. They have a good conditioning index of 12.5MJ/kg as fed, yet are 'Non-Heating' allowing horses to look good but focus on the job in hand.</p>
	<p>TOPSEC ANTILAM</p> <p>TopSpec AntiLam is a palatable, pelleted product specifically designed to provide nutritional support for those susceptible to, being treated for, and recovering from, laminitis.</p> <p>It contains a range of highly-effective supplements pelleted onto a high-fibre, very low-calorie base.</p>
	<p>TOPSEC COMPREHENSIVE</p> <p>TopSpec Comprehensive is the supplement we put into TopSpec Comprehensive Feed Balancer. It is the most fully comprehensive supplement you can buy and it can successfully be fed to every horse or pony on your yard. A broad-spectrum supplement is backed up by many others including a superb hoof supplement, generous levels of anti-oxidants and sophisticated digestive aids</p>
